

Philips 1900 series
Steam iron

GC1930

Faster - from start to finish

Super fast water filling and emptying

There's so much more to life than household chores, so you want to get them done as quickly as possible. With its super fast filling and emptying hole, pointed tip, and smooth-gliding soleplate, this quality iron is simply built for speed.

Easily removes creases

- Steam boost to remove stubborn creases easily
- A fine spray evenly moistens the fabric
- Continuous steam up to 17 g/min for better crease removal

Easy gliding on all fabrics

- Black American Heritage coating for easy gliding

Longer lifetime

- Double Active Calc System prevents scale build-up

Faster set-up and storage

- Easy and super fast filling of the watertank
- Easy and super fast emptying of the watertank

PHILIPS
sense and simplicity

Highlights

Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

Double Active Calc System

Double Active Calc system prevents scale build-up through anti scale pills and an easy to use calc clean function.

Steam boost

Steam boost to remove stubborn creases easily.

Easy and super fast emptying

Easy and super fast emptying of the watertank thanks to the huge emptying hole, and the sideways opening door.

Easy and super fast filling

Easy and super fast filling of the watertank thanks to the huge filling hole, and the sideways opening door.

Black American Heritage

Black American Heritage coating for easy gliding on all fabrics

Up to 17 g/min of steam

Continuous steam up to 17 g/min for better crease removal.
